I love what I do!

I joined SHS because I have a passion for decorating and I LOVE to help others! The friendships I have made over the years are worth more than any amount of money or rewards. Of course, the extra income and perks are a plus! The friendships, free vacations, awards and debt-free Christmases have enriched our lives. I truly LOVE what I do! With this business, you have NOTHING to lose and everything to GAIN!!!

Joy, Friendship and Income

I joined SHS because I love the satisfaction of running my own business and helping my customers transform their houses into homes! Since my husband passed away and all five of my sons are out of the home, I'm not sure what I would do without my Signature Sisters! This business has filled my life with so much joy and friendship...all while earning extra income and rewards. If you are looking for more to do those "extra" things with your family, Signature is here for you, too.
