Whether you're looking for a way to eliminate one bill from your household budget or a reason to leave your full-time job, the amount you earn is completely up to you! There are no hidden charges. In addition, as a Representative, you are eligible to earn products beginning with your very first month of business and continuing throughout the year with our New Super Start and promotions. We are extremely proud of our generous Host Program—completely subsidized by the company! And, don't forget, you are never required to deliver merchandise.
